# Single Direction Plate Compactors

**Model  
TPA-1830**

**Model  
TP-2045**

**TP-1830** Plate Compactor for dirt & **TPA-1830** with water system for asphalt compaction, the most popular and versatile of all the plate compactors, will handle all types of jobs with speed and efficiency. Both models have a 5HP Honda gasoline engine. Other engines also available. Force impact output 3,000 lbs., see other specifications below. **TP-1830** comes standard with a Honda engine.

**TP-2045** with a 20" x 18" plate is the true brute in the plate compactor field. Customer satisfaction guaranteed. Customers comments include: "This compactor will dig itself out of any hole, we never had a compactor like this one." It's 9HP Honda engine and 4,500 lbs. of impact force indicate the power available. A water tank kit for asphalt compaction can easily be added to all TP compactors.
